

Yes, it's a shame, but we are planting this new one to replace it of course

SURVEY OF CEDAR TREES 2011

The Society wants to map the locations of all Cedar trees in the area. Your help in listing those in your own locality would help us to do this. We will make the information public and send a copy to Merton Council as our contribution to the protection of these historic trees. Please use this form to record your information, and send it to the address below, enclosing a photograph of the tree if you can.

.....

Location of tree (property no: & road):

Is it in a road, or public land, or private land?

Importance in local views (high/medium/low)?

Is it covered by a Tree Preservation order?

Is it in a conservation area?

Approximate tree height (high/medium/low)?

Has the tree been pruned or lopped?

Has it been affected by recent development?

Do you have any further comments,
or is there any other action that you
would like the Society to take?

.....

Your details: name and address:

phone & Email:

Either send a completed paper copy for each tree by post, or copy the form as a PDF & send by Email.

Please respond to Jennifer Newman, Planning Committee Secretary
35 Wool Road, SW20 0HN email: jennifernewman@blueyonder.co.uk

The Text of the form can also be downloaded from the Society's website, & completed forms returned as above.

If you would like to mention other important trees in your locality, please send details.
