for maintaining the amenities of Wimbledon.

To all Members,

The following functions are being arranged for the Spring and Summer of 1969:-

SPRING LECTURE An invitation is enclosed for the Spring Lecture in the Lecture Hall on Wednesday, 12th March. Mr. Montague is an authority on the history of Mitcham and has a good collection of slides. I am sure it will be a most interesting evening.

ANNUAL GENERAL MEETING It is hoped that the A.G.M. will be held at Kings College School on the evening of Friday, 16th May. It is likely to prove lively in view of several important schemes of redevelopment now going on and the continued need for parking facilities in the Village. Not only do we anticipate a fruitful exchange of views but we hope that the opportunity will be afforded to see something of one of the major educational establishments in the Borough.

ANNUAL OUTING Mr. Shields Forshaw is arranging the Annual Outing to Waddesdon Manor for Saturday, 14th June, and expecting to couple it with a visit to the home of the Dashwoods at West Wycombe Park. Waddesdon Manor, near Aylesbury, was the home of the Rothschilds and is renowned for its collection of French decorative art. Both are National Trust properties.

YOUNG PERSONS OUTING Our President is arranging for a committee of young people to meet at Easter to organise their own outing during the Summer vacation. This will be a new venture arising out of the discussion at last years A.G.M. and subsequent letters from members.

Details of these outings will be sent out with the notice of the A.G.M.
