Society for maintaining the amenities of Wimbledon.

To all Members,

The following functions have been arranged for the Spring and Summer of 1970:-

SPRING LECTURE. An invitation is enclosed for the Spring Lecture in the Village Hall, Lingfield Road, on Wednesday, 15th April. Mr. Milward, Senior History Master at Wimbledon College, where he was once a pupil, is writing a history of Wimbledon, the first part of which appeared a few months ago. We look forward to hearing from him how our locality was affected by the Reformation.

ANNUAL GENERAL MEETING. With the kind permission of the Principal, the A.G.M. will be held at Southlands College, Parkside, on the evening of Friday, 15th May. Two of last year's topics seem likely to be discussed again, since important redevelopment schemes are still in progress, and the need for parking facilities in the Village has still not been met.

ANNUAL OUTING. Once more Mr. Shields Forshaw is arranging the Annual Outing; which this summer, on Saturday, 13th June, is to Littlecote, in Wiltshire, just across the Berkshire border. A most experienced visitor to England's country houses says that this historic Tudor manor is an absolute 'must', especially in fine weather, as the view of the gardens from every window is superb.

Details of this excursion will be sent out with the notice of the A.G.M.
